Corporate Associates Program

OVERVIEW AND BENEFITS

Program Overview

The Corporate Associates Program is NASACT's effort to facilitate partnership between the private sector and state government. The Corporate Associates Program offers companies various opportunities for exposure and participation at NASACT's annual conferences and copies of NASACT's publications.

Joining the Corporate Associates Program is simple — a four-tiered model provides different levels of involvement to matches different private sector marketing and messaging strategies. Whether your goal is networking, staying informed about state government finance, or participating in one of the premier conferences of the year for state government officials, the Corporate Associates Program offers these benefits and more.

About NASACT's Annual Conference

NASACT's Annual Conference is a two and one-half day event held each August. The conference is designed to provide continuing education and networking opportunities for the elected or appointed state auditors, state comptrollers and state treasurers of the 50 states. Attendance at the conference ranges from 300-350 each year. Conference themes include government financial management, auditing, the municipal bond market, the economy, transparency, fraud case studies, standards updates, and business process best practices.

Upcoming NASACT Annual Conferences

- August 22-26, 2015: Marriott Downtown, Chicago, Illinois
- August 12-17, 2016: Indianapolis Marriott Downtown, Indianapolis, Indiana
- August 19-23, 2017: The Grand America Hotel, Salt Lake City, Utah

Speaking Opportunities

Corporate associates receive a number of benefits related to the NASACT annual conference each year. Speaking during a general or concurrent session, however, is not a guaranteed benefit.

To be eligible to speak on the program, a corporate associate must first be nominated by a NASACT member through the "Program Topics Survey," which is sent to NASACT members each January. All nominations from the survey will be reviewed by the Training and Professional Development Committee, which is responsible for making final decisions regarding speakers for the conference.

Corporate associates are welcome to let us know about projects they are coordinating with states. This information will aid in providing survey options based on current, timely state government activities.

Join the Program or Get More Information

To become a NASACT corporate associate or learn more, contact:

R. Kinney Poynter
Executive Director, NASACT
